

*Three-day conference about mobility in the future and five-day exhibition of electric cars and everything that goes with it*

# FUTURE E-MOBILITY SHOW

**Primož Lemež, Chairman Emobility,**  
25. - 29. March 2020

# E-mobility and conferences

- ❖ Our organisation e-mobility has a lot of experience with organisation of conferences and symposiums on the theme of e-mobility
  - ❖ We have organised:
    - ❖ 6 international Symposiums e-mobility
    - ❖ 3 spring themed conferences
    - ❖ 2 conferences in Italy
    - ❖ 15 eco rallies (EcoNova, e-mobility)
- ❖ So far our events hosted more than 5,400 participants and more than 100 eminent lecturers!

# EXCEPTIONAL lecturers and attractive show

- ❖ Due to **excellent international relations** and experiences that we have, we are always able to bring exceptional lecturers from abroad.
- ❖ We are expecting an **exceptional group of lecturers** for all three days of the conference
- ❖ Including at the conference and the show "**Future e-mobility Show**", where visitors will be able to see a lot of interesting exhibits and practical demonstrations

# STAR lecturers - INVITEES

- ❖ Companies such as: AMZS, DARS, ELES, GEN-I, Elektro Ljubljana, Hyundai, Mazda, Renault, Nissan, ... are invited to participate.
- ❖ We have invited embassies (we got confirmation from Netherlands, Norway, Germany, USA, Hungary, Austria and China).
- ❖ All Slovenian municipalities are invited and will be present on Thursday because we will reward the best E-Mobility municipality that day.
- ❖ In the FUTURE MOBILITY SHOW Volkswagen I.D. R model will be exhibited.
- ❖ Olivier Wenden, CEO from ; Prince Albert II of Monaco Foundation will be a spokesperson.

# About e-mobility

E-mobility is **the conference** as well as **the exhibition**.

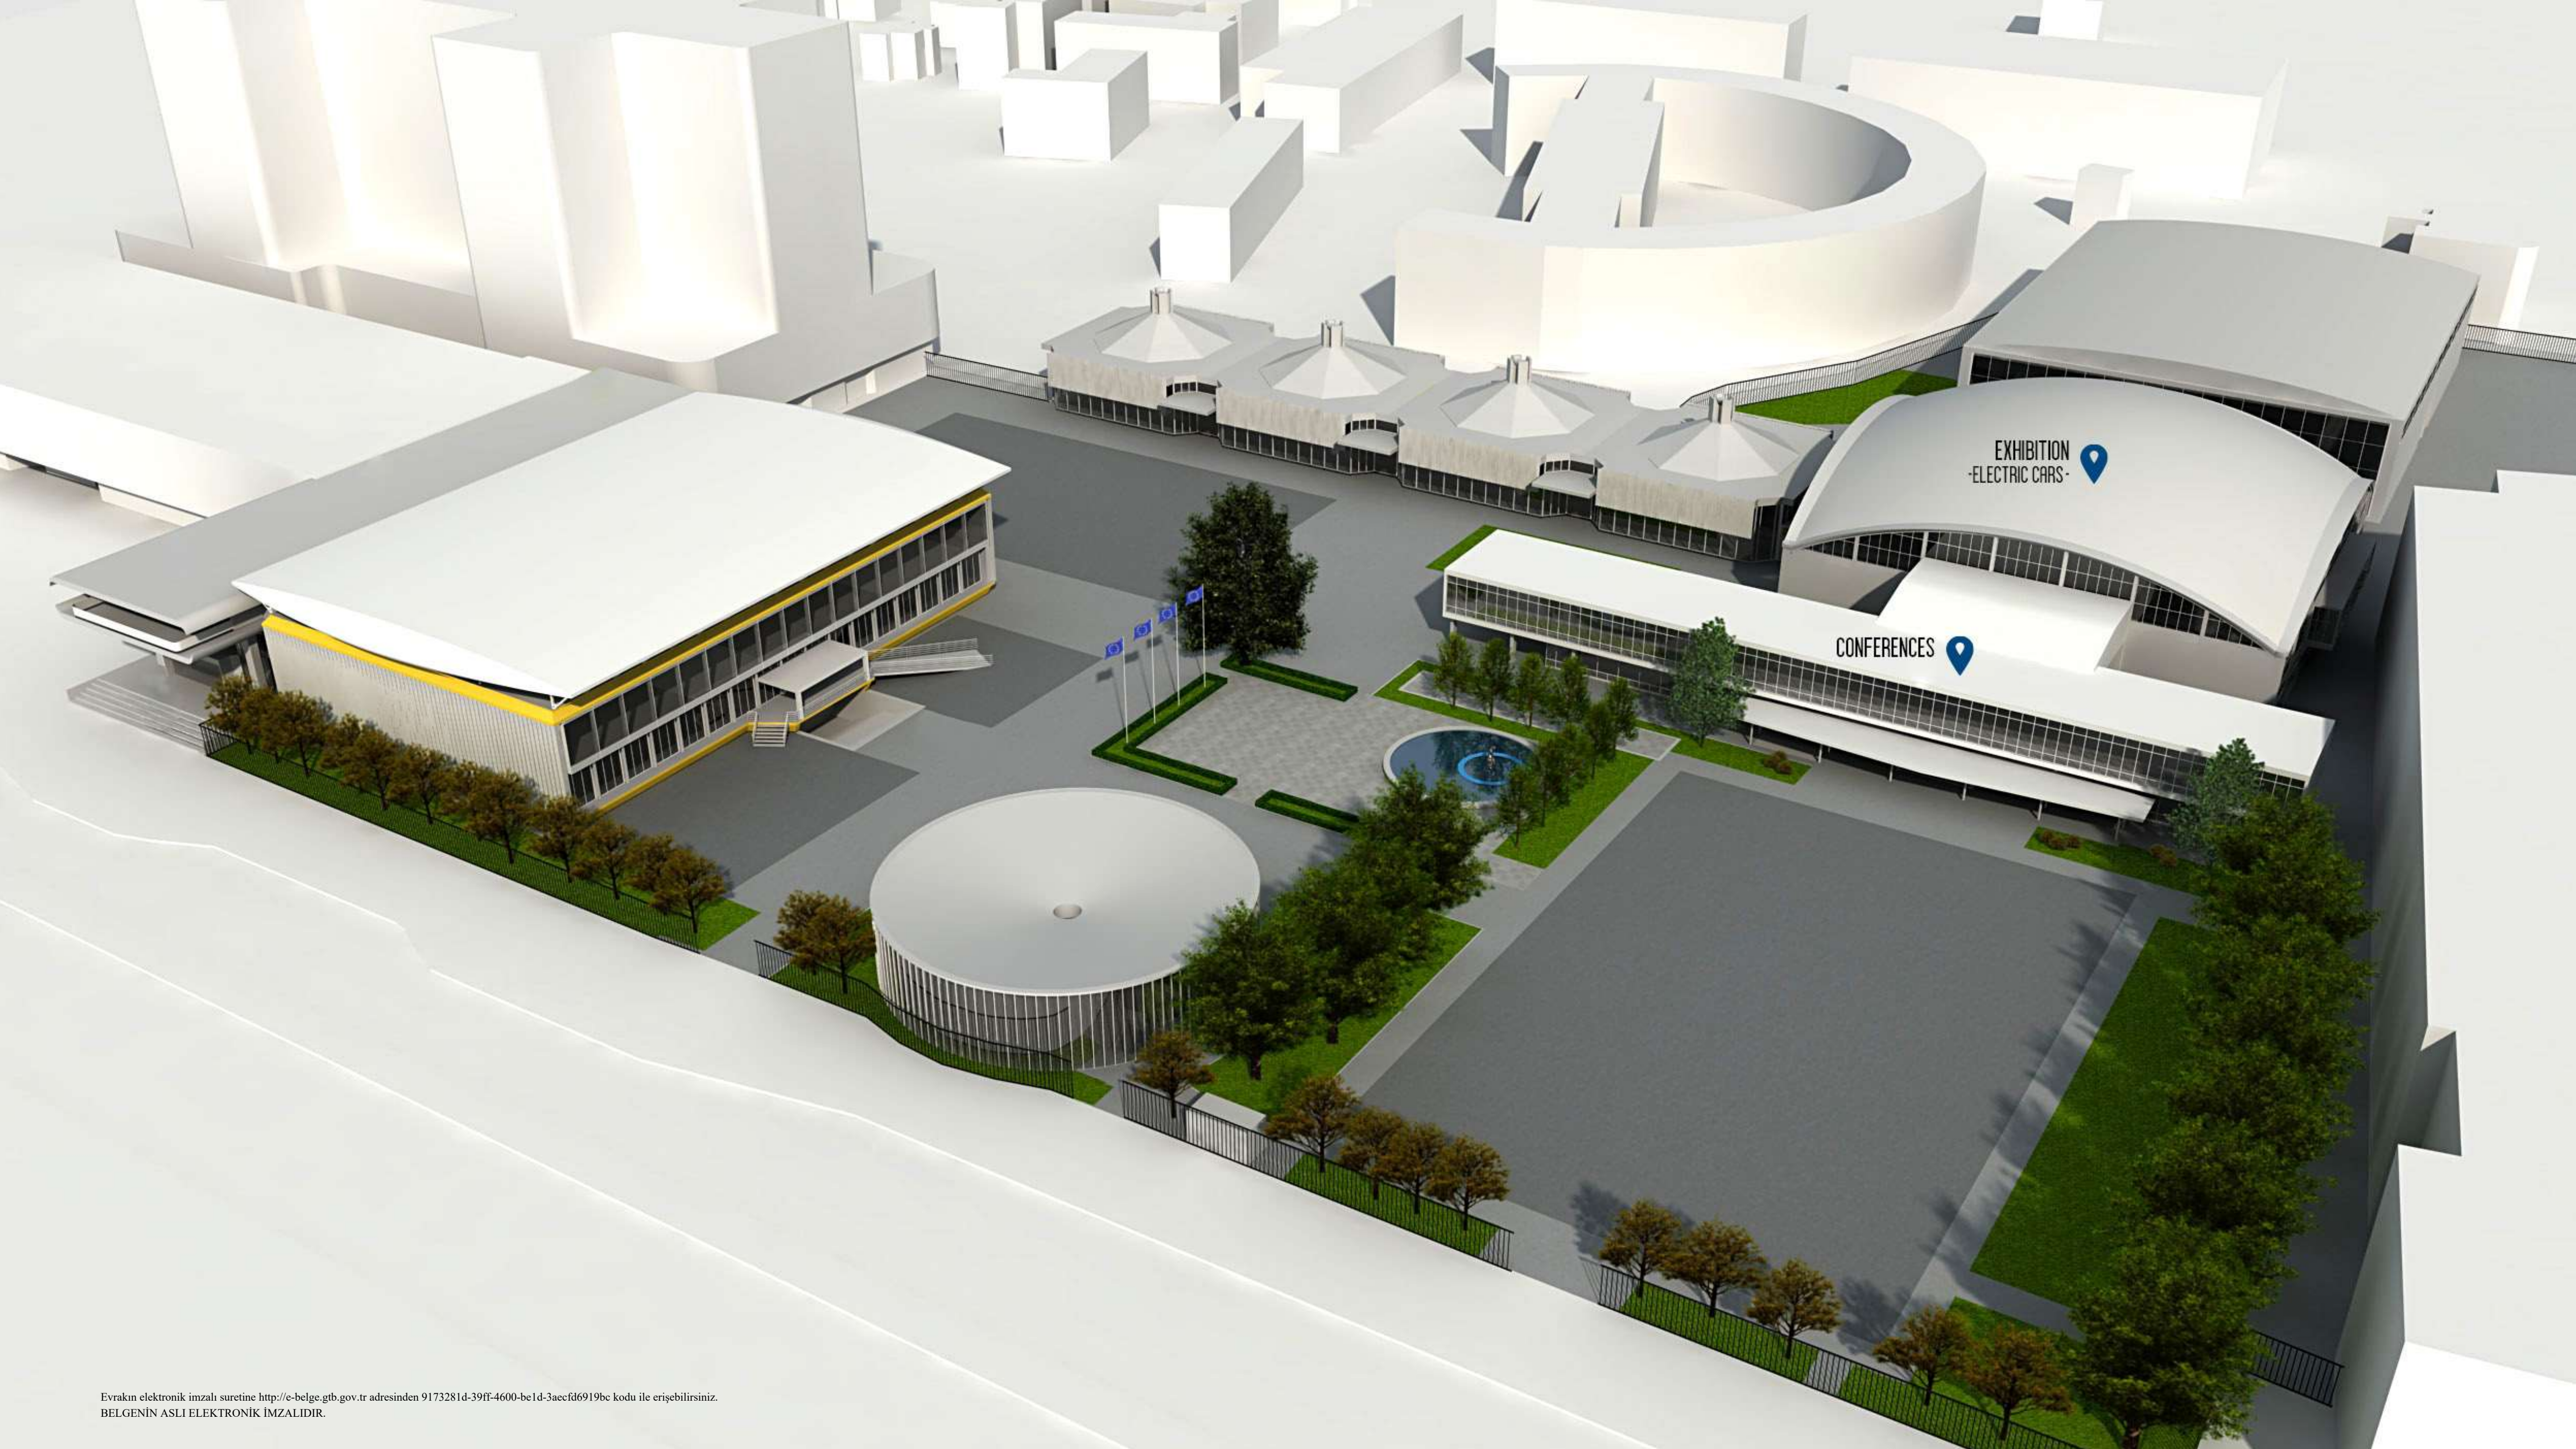

We believe, this is the best way to present e-mobility and **sustainable mobility** to the people in every aspect.

# Timing is everything

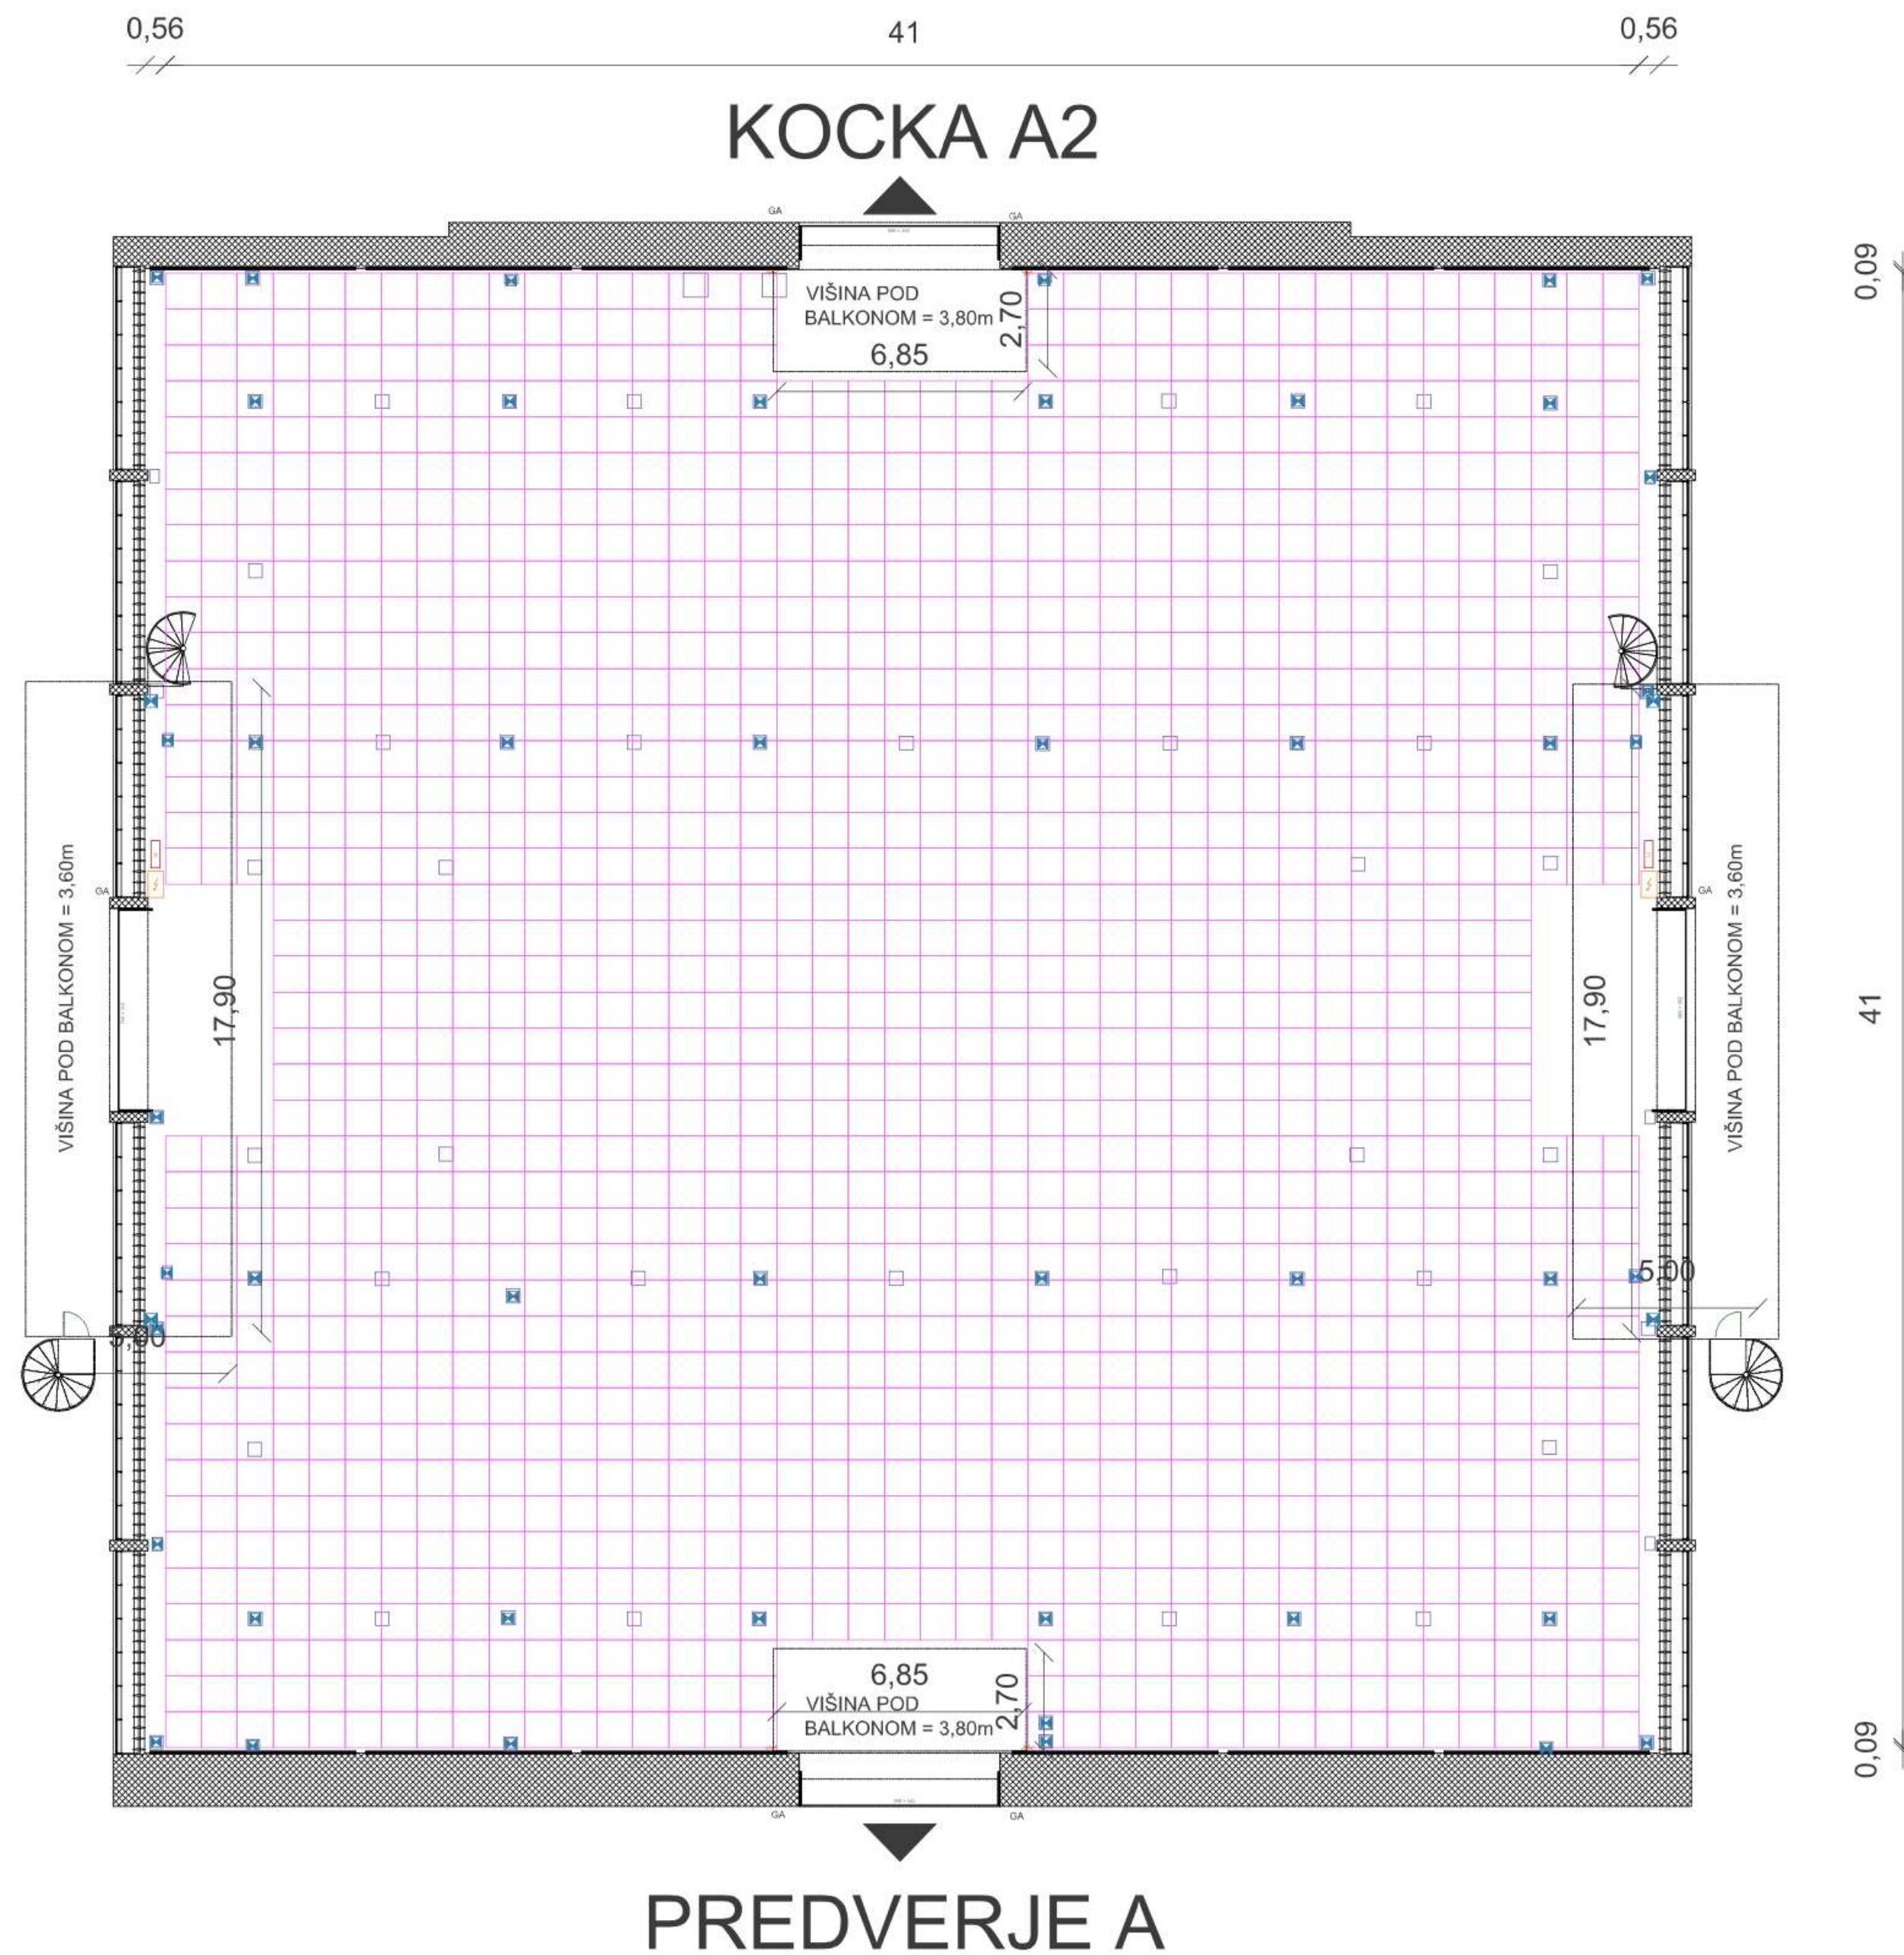

- ❖ Date of the conferences: 25th, 26th and 27th of March 2020
- ❖ “Future Mobility Show” will take place at Exhibition centre in Ljubljana from 25th until 29th of March 2020
- ❖ Exhibition in the hall “Kupola” will be open from 9am till 7pm and will be free of charge for viewers, but not completely free!
- ❖ Everybody who will want to see the show will have to register.

## *Free popular lectures*

In the afternoon we will organise free lectures for those who have already bought electric cars and would like more information, and for those who are interested in buying electric cars, but are not quite sure yet. Lectures from experts in various fields.

Content of lectures:

- Price versus TCO, or whether electric cars are really that expensive
- Electric car safety
- Technical features of EVs and their use
- What cars are available and what are they capable of

# Individual arrangements

We will individually discuss the most appropriate way of promotion at the conference and on "Future e-mobility show" with all partners/sponsors

# Cooperation

- ❖ Options for cooperation as sponsor and/or exhibitor
- ❖ Options of daily sponsorship or sponsorship of the whole event
- ❖ As the delegate you can cooperate for one day or for all three

# Possibilities of cooperation for countries and/or companies

## ***Future e-mobility show***

Future e-mobility show is open for cooperation with:

- ❖ Business associations and chambers
- ❖ Countries
- ❖ Regions or cities
- ❖ Companies

You can cooperate with lecturers and as sponsors or as exhibitor

# Additional assistance for delegates

- ❖ Booking a hotel
- ❖ Organizing B2B and B2G meetings (with government representatives, companies and institutes or representatives of civil society), if you would desire so
- ❖ When preparing presentations for smaller groups of interested delegates
- ❖ We will organize receptions and events for networking
- ❖ During the breaks, there will be plenty of time to get to know and socialise

# Honorary sponsor of e-mobility
