

Balkan

COMMERCE FAIR

Organized by our subsidiary **Tuyap Bursa Fairs Organization INC** in cooperation with **BALKANTÜRKSIAD** (Association of Balkan and Rumelia Industrialists and Businessmen) the **Balkan Commerce Fair** will be held between **May 13-16, 2015** at the **Bursa International Fair and Congress Center**, with the support of the Turkish Ministry of Economy, the Bursa Metropolitan Municipality, and the Bursa Chamber of Commerce and Industry.

The first-time held **Balkan Commerce Fair** aims to bring together Turkish investors and Balkan businessmen under the same roof, to further strengthen the existing cultural and commercial ties with the ensuring synergy, and to create new commercial ties. During the fair, municipalities seeking procurement opportunities will be able to meet with Turkish investors who provide goods and services in the infrastructure, transport, construction, machinery, furniture, textile, agriculture, food, and service industries alongside potential investors interested in these industries in the municipalities' respective countries. Thanks to the fair, new investments in the Balkans by Turkish companies will also provide business opportunities for many domestic companies. The fair and the ensuring cooperation, aimed to increase economic ties between our country and the Balkans based on these needs.

While the Fair is intended for the participation of many countries, mayors and public procurement officers and the relevant departments (Directorate of Technical Works, Transportation Head of Departments, Park and Garden Head of Departments, Reconstruction and Town Architecture Head of Departments, Environment Protection Head of Departments and Directorate of Fire Brigade Supervision Services etc.) from the municipalities are also expected to visit the fair. In this regard, we would like to start a cooperation with the municipalities of your country in order to organize a participation at the show. *If you are accept our invitation, firstly we would like to host presidents of Balkans municipalities in the fair and we would like to reserve closed area for municipalities (from 12 sqm to 30 sqm) in the fair(free of charge). Your stand will be constructed by TUYAP- The exhibit space is fully equipped and it comes ; 1 Werzalit Table, 2 Chairs, 2 Shelves, 1 carpet, 1 door (1x1 sqm) , 1 plug group socket (220 volt), 1 spot light (100 W) for each 3 m2 and stand fascia panel with company name and electric power up to 10 kw, it is free of charge.*

In addition to this would like to start cooperation with the related bodies of your country in order to organize a "National Pavilion" at the show. It is essential that you put your great support on the subject and announce the fair among the companies. We believe that your support will prove vital benefits for your country's foreign trade as well.
