

Items required for telecommunication

- 1-Manufacturer companies of telecom and communication towers
- 2-Manufacturer companies of walkie-talkie ,wireless communications, pager
- 3-Manufacturer companies of satellite equipments
- 4-Manufacturer companies of Internet equipment
- 5-Manufacturer companies of cable, optical fiber, microwave system

Items required for health care

- 7-Field and mobile hospital
- 8-Manufacturer companies of first aid kit, ambu bags
- 9-Manufacturer companies of pharmaceutical and serum
- 10-Manufacturer companies of bandages,betadine
- 11- Manufacturer companies of venous,injection and oral medicines
- 12- Manufacturer companies of ambulance cars (air ambulance ,mobile ICU, bus ambulance, special cars for rescue
- 13-Manufacturer companies of types of trolleys
- 14-Producer companies of surgical equipment and instruments

Transport, lifeline,weather disasters and storms needed items (air, sea, road, rail, meteorology)

- 15-Manufacturer companies of excavator machinery
- 16-Manufacturer companies of road construction machinery
- 17-Manufacturer companies of road warning signs

- 18-Manufacturer companies of concrete and bridge building
- 19-Manufacturer companies of suction pumps
- 20-Manufacturer companies of transport machinery
- 21-Companies related to meteorology
- 22-Companies related to airport equipment
- 23-Companies related to the productions of ports and marine hazards
- 24-Shipping and terminals companies

Items required for fuel and oil

- 25-Types of fuel tankers
- 26-Manufacturer companies of equipment of dealing with environmental hazards
- 27-Fuel tankers
- 28-Manufacturer companies of LPG capsules
- 29-Manufacturer companies of CNG stations
- 30-Manufacturer companies of mobile fuel stations (petrol,gas oil,CNG)
- 31-Manufacturer companies of rescue cars
- 32-Manufacturer companies of gas networks
- 33-oil and fuel suppliers
- 34-Manufacturer companies of aerial fuel
- 35-Manufacturer companies of marine fuel

Items required during drought and frost

- 36- Manufacturer companies of machinery to deal with pests
- 37- Manufacturer companies of agricultural and livestock pesticides
- 38- Manufacturer companies of veterinary equipment
- 39- Desert machinery to take care of the forests and pastures
- 40- Unmanned aerial vehicles to protect the forests and pastures
- 41- Agricultural engineering systems companies
- 42- Manufacturer companies of equipment of dealing with frost and hail

Items required for insurance, reconstruction and rehabilitation

- 43- Insurance companies
- 44- Fire truck manufacturer or importer companies
- 45- Fire fighting equipment manufacturer / fire fighting equipment in buildings (work clothes ,types of fire extinguishers, trolleys, safety warning signs, types of ladders, etc.)
- 46- Parts manufacturer for retrofitting buildings/all construction companies
- 47- Manufacturer companies of lifts
- 48- Manufacturer companies of car carrying body
- 49- Manufacturer companies of industrial refrigerating
- 50- Manufacturer companies of garbage trucks
- 51- Manufacturer companies of fire fighting machinery for large-scale fires (forest fires, pasture, industrial, etc.)
- 52- Manufacturer or importer companies of helicopters, fire fighting planes
- 53- Manufacturer companies of hygiene and disinfection.

Items required for floods and marine risks,electricity,water and sewage

- 54-Manufacturer companies of water and sewage systems
- 55- Manufacturer companies of concrete and embankment dams
- 56- Manufacturer companies of GIS systems and network
- 57- Manufacturer companies for types of water tankers
- 58- Manufacturer companies of generators and electric motors
- 59-companies that provide, maintain and repair water systems facilities
- 60-Manufacturer companies of water purifier
- 61-Companies that provide and maintain sewage networks and sewage disposal and flood control
- 62- Water and sewerage engineering corporations
- 63-Production, transmission and distribution of electricity corporations in Iran (Tavanir)
- 64- Water resources management corporations in Iran
- 65-Official representative of the national institute of oceanography and related companies

Items required for provision of housing

- 66-Manufacturer companies of conex (for habitation, bathroom and shower, mobile hospitals, mobile kitchens, mobile bakery
- 67-Building and housing research companies
- 68-Manufacturer companies of prefabricated houses

Items required in the field of earthquake hazards,landslides of layers, building and urban development (Ministry of Housing and Urban Development)

69-Engineering companies in the field of construction (supervisor, drawing building

70- Companies active in the field of earthquake detection equipment (seismographer, Seismograph, Accelerometer, etc.)

71- Mass housing construction companies

72-Building facilities companies

73- Companies that produce structures,permanent or temporary structures (permanent including: buildings, bridges, dams, towers and temporary including exhibition tents, advertising towers, metal scaffolding

74-Manufacturer or importer companies of preceser equipment

75-Manufacturers companies in the field of housing materials (lightweight, resistant and industrial)

76-Companies with a new technology in the field of housing and road construction

Items required for environmental hazards

77- Surveyor companies in the field of environmental

78- Manufacturers companies of laboratory equipment or quarantine in the field of environmental or pollution or remove pollution of water, soil and air

79-Manufacturer or importer companies of cleaning polluted areas (water or soil)

Items required for relief and rescue (Red Crescent)

80- Manufacturer or importer companies of alive finder machines

- 81-Manufacturer or importer companies of night vision cameras
- 82- Manufacturer or importer companies of helicopter
- 83-Manufacturer companies of all high durability of canned food and mineral waters , etc.
- 84-Manufacturer companies of tents for camp, hospital and small
- 85-Transportation companies include land, air, marine and railway
- 86- Supplier companies for storage of relief items (blankets, tents, heating and cooling equipment, warm clothing , etc.)
- 87-Manufacturer or importer companies of specialized rescue cars, marine ambulance
- 88- Equipping companies of the navy air rescue
- 89-Manufacturer and producer companies of road site of relief and rescue
- 90- Manufacturer or importer companies of hydraulic sets
- 91-Manufacturer or importer companies of excavator, loader and cranes
- 92-Medical advisor centers and health and welfare consulting
- 93-Manufacturers and suppliers of artificial organs

Items required for security with the responsibility of the Ministry of Interior

- 94-CCTV cameras
- 95-Control kits and X-rail
- 96-Fence, roadblock, new jersey equipment,etc.
- 97-Metal detectors alive and dead finder machines
