

## INTERNATIONAL CONFERENCE «MINING INDUSTRY IN THE BARENTS EURO-ARCTIC REGION: VIEW TO THE FUTURE» · IMIC BEAR MURMANSK REGION

Международная конференция «Горнодобывающая промышленность Баренцева Евро-Арктического региона: взгляд в будущее» · МГПК БЕАР, Мурманская область

Dear Sir/Madam,

The Organizing Committee has the honor to invite you to participate the 2<sup>nd</sup> International Conference "Mining Industry in the Barents Euro-Arctic Region: View to the Future-2012"(IMIC BEAR -2012) which will take place on the 22 – 23 of November, 2012 in Kirovsk, Murmansk Region, Russia. The main topic of the Conference is "Government and Mining Industry. Current Practice, New Trends and Regional Peculiarities". The conference is run under the auspices of the Governor of the Murmansk Region and the Supreme Mining Council of the Non-profit Partnership "Russian Mining Operators".

### Organizers

Government of the Murmansk Region, Northern Chamber of Commerce and Industry, Kola Science Center of the Russian Academy of Sciences, Euro-Arctic Chamber of Commerce.

**IMIC BEAR** is a good opportunity for exploration, mining, consulting companies, research institutions, investors, governments and the service and bank sector representatives to meet and network at a new international arena for the discussions related to the development of the mining industry in the Arctic Region.

### Main Topics of the Conference

- The Key Factors affecting Development of the Mining Industry of the North within Russia's Development Strategy until 2020.
- Laws and Regulations on Mineral Resources. Current Challenges and Ways to Reconcile Contradictions.
- Tax Policy referring to the Mining Industry. The View of Industrialists and the View of the Government.
- Environmental Laws and the Mining Industry. Current Contradictions and Ways to reconcile them.
- Global Trends in Geological Exploration. State contribution to stimulation of Geological Exploration and Mineral Resource Basis Reproduction.

*Other topics of the plenary session will be formed according to proposals of participants and their further consideration and confirmation by the Organizing Committee.*

Please, find more information about IMIC BEAR-2012 at [http://conference.ncci.ru/\(en\)](http://conference.ncci.ru/(en)) .

If you are interested in participation in the IMIC BEAR-2012 on the 22-23 of November 2012 in Kirovsk, Murmansk region, Russia, please, register online at <http://conference.ncci.ru/registration> or contact us by fax + 7 (8152) 55-47-21, tel.: +7 960 020 1605 or e-mail: [ncci@ncci.ru](mailto:ncci@ncci.ru) or [ozs@ncci.ru](mailto:ozs@ncci.ru) . Contact persons: Maria Tserenya, Nadezda Kumashova.

**Registration deadline: 20 October, 2012. Early Registration is encouraged!**
